Unifaun App – Tracking

Last Modified: 2020-May-07

Fulfill & Get Tracking URL

Please follow the below step to get the tracking link,

Step 1: Please open your order and click "Fulfill & Get Tracking URL"(See screenshot) option from "More actions" menu.

The screenshot displays the Uniwin app interface for an order. At the top, it shows the order number #1017, the date and time (May 6, 2020 at 6:39 am), and the source (Online Store). The order status is 'Payment pending' and 'Unfulfilled'. Below this, there are icons for 'Print', 'Restock', 'Edit', and 'More actions'. The 'More actions' menu is open, showing options: 'Duplicate', 'Cancel', 'Archive', 'View order status page', 'Print label via Unifaun', and 'Fulfill & Get Tracking URL'. The 'Fulfill & Get Tracking URL' option is highlighted in blue. To the right of the menu, there is a 'Mark as fulfilled' button. Below the menu, the order details are shown: 'Unfulfilled (1)' with a quantity of 1 and a price of 200 kr. The item is identified by SKU: 202001271206pm. Below this, the order summary is shown: 'Payment pending' with a subtotal of 1 item for 200 kr and shipping of Normal (0.5 kg) for 49 kr.

Your order will be fulfilled and the tracking link will be added to inside the order.
