

## Shipping rate for Airmee time slot options

---

Shipping rate for Airmee time slot options are controlled by Shopify's shipping features, hence the rate must be set through Shopify's setting page for shipment handling. This document shows how to set this shipping rate.

**Uniwin Helpdesk**

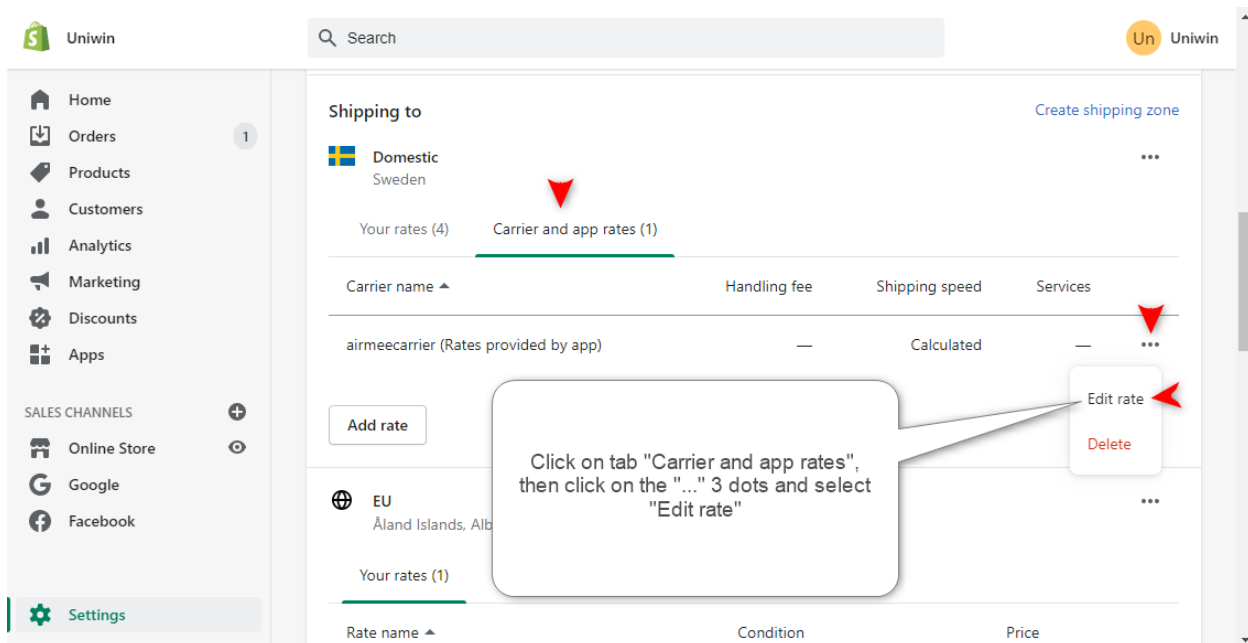

Step 1  
Shopify Admin Dashboard -> Settings -> Shipping and Delivery

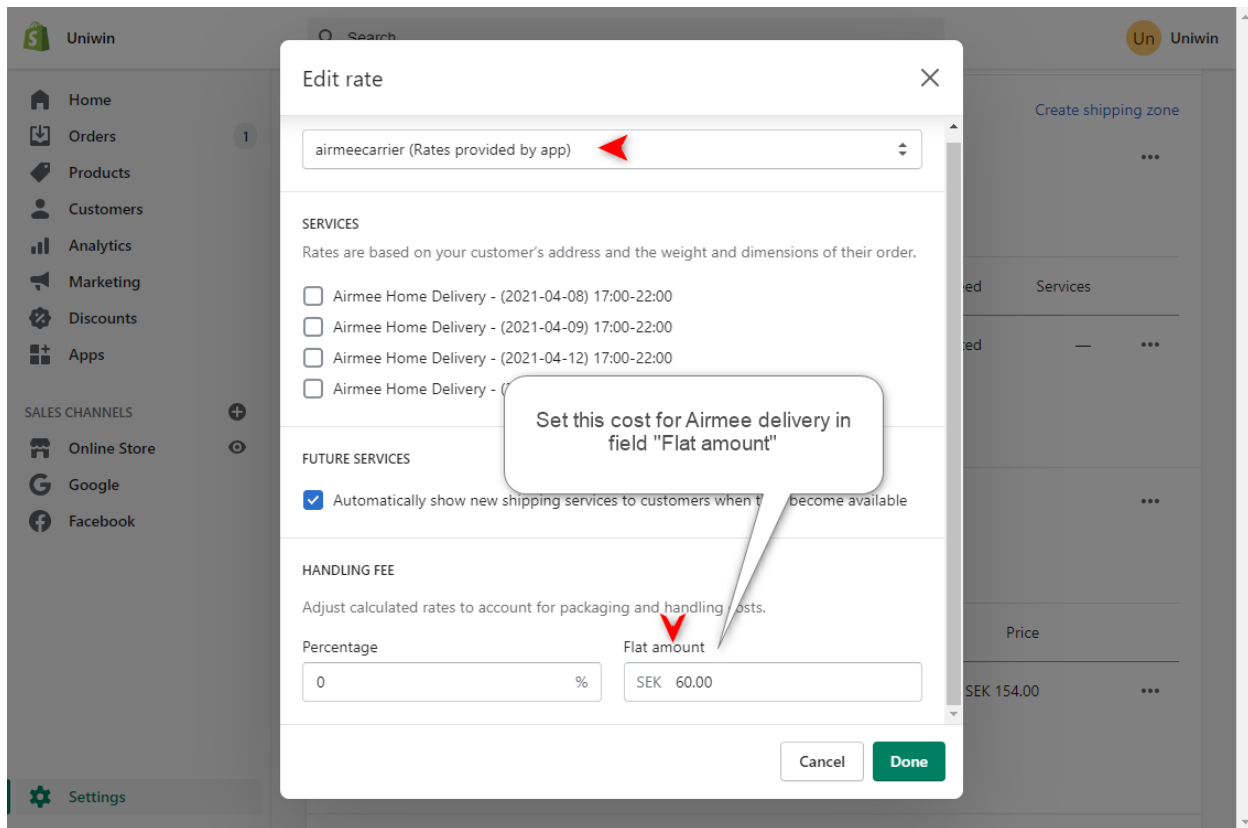

### Step 2

In "Shipping and Delivery" click "Manage Rates"

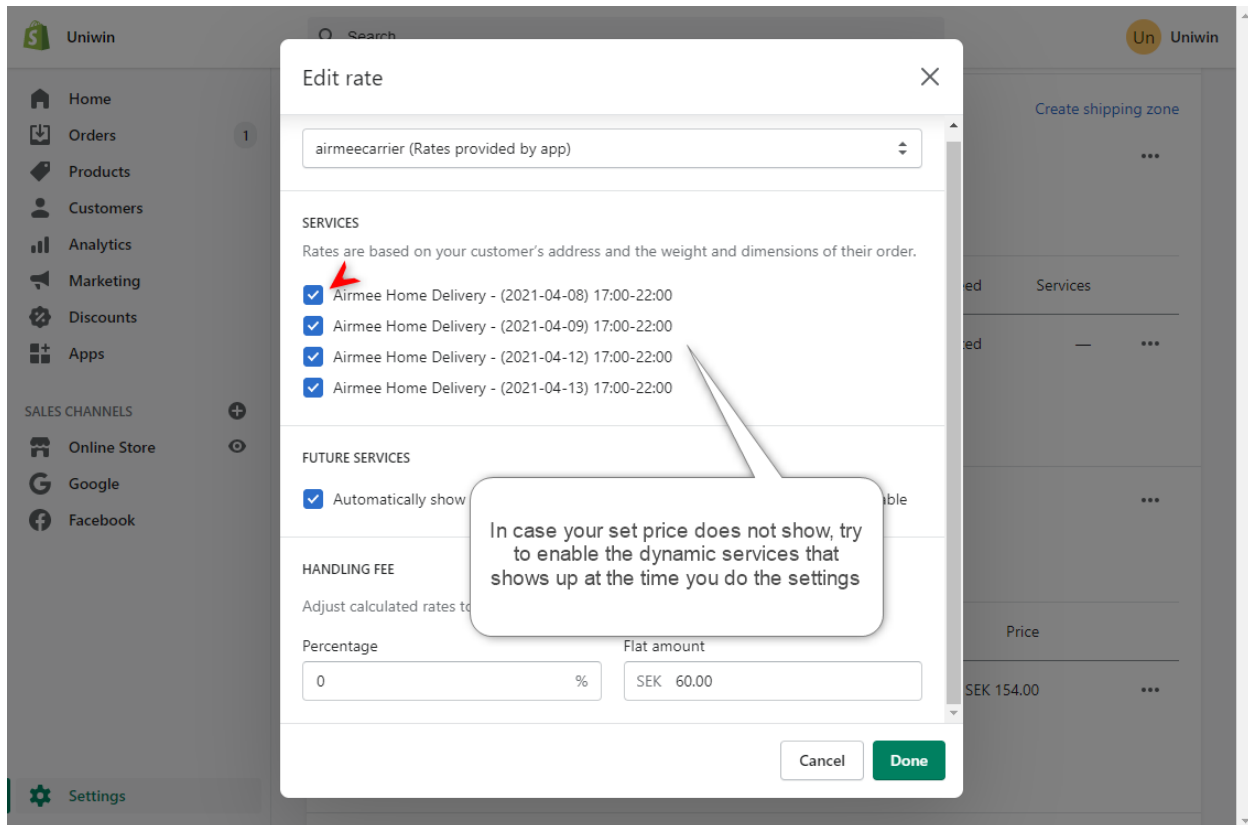

### Step 3

Scroll down to section "Domestic"/ "Sweden" and click on tab "Carrier and app rates", then click on the 3 dots sign and select "Edit rate".

Step 4

Finally set the rate value in field "Flat amount".

Sometimes the dynamically listed options need to be "enabled" for this price setting to take effect.
