

# Pickup points on checkout

## Setup pickup points with custom rates

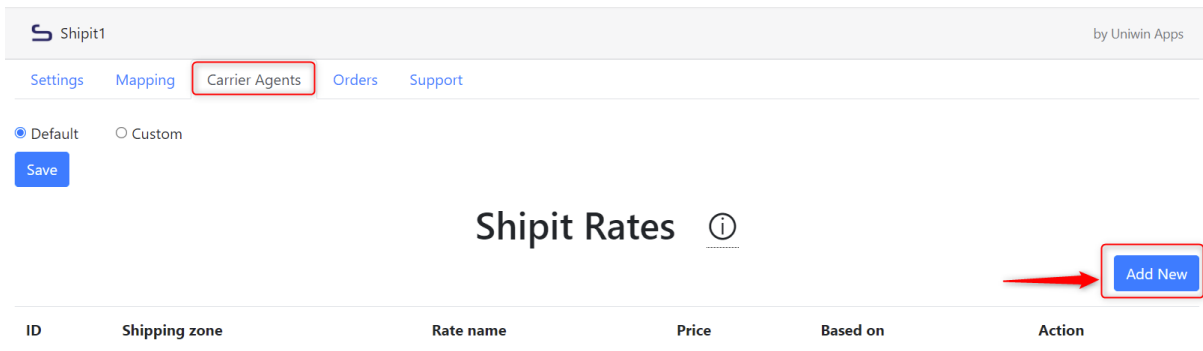

This guide will illustrate the steps to show the pickup points on checkout.

### 1. Create shipping zone inside Shopify **Shipping and delivery**

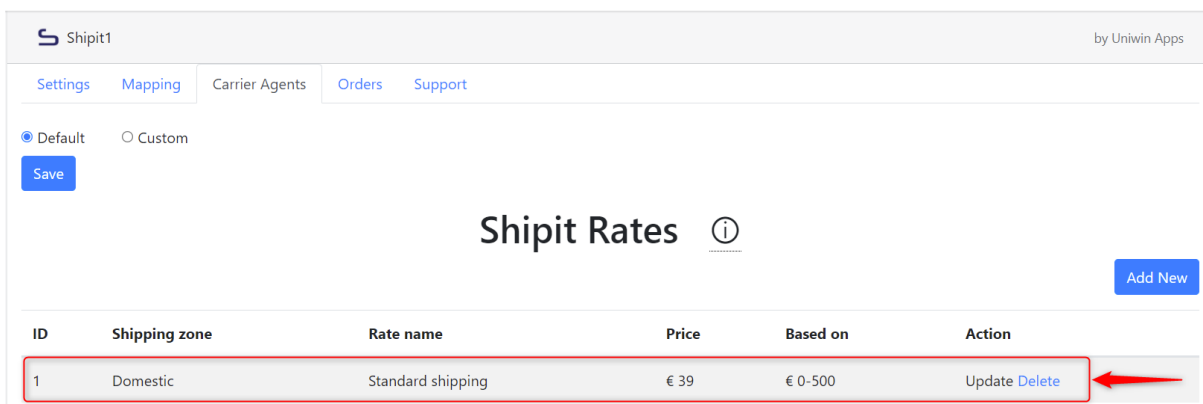

Check the above image, go to Shopify Settings -> **Shipping and delivery**, create zone. Make sure that you have “uniwincarrier” third party rate added, please check this guide to know more about carrier and app rates, [click here](#)

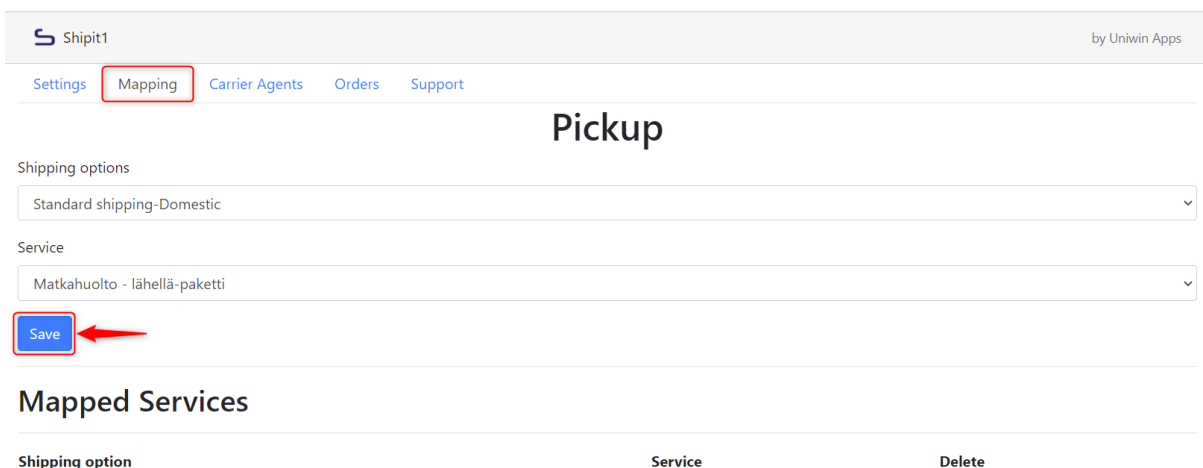

## 2. Create shipping rates inside **Shipit app**

Check the above image, click Add New and create shipping rate

## 3. Create mapping inside **Shipit app**

Check the above image, now you will see the created shipping rates inside the shipping options drop down, please select the shipping rate and create the mapping with service.
