If you need help to create a printing favorite then please check the below help page, <https://help.unifaun.com/uo-se/en/print-and-book/printing-favorites.html#UUID-3911cefa-a231-606b-6d96-28e7459ff9ac> [UUID-fcab2809-8267-c251-a4a4-ced7662be528](https://help.unifaun.com/uo-se/en/print-and-book/printing-favorites.html#UUID-fcab2809-8267-c251-a4a4-ced7662be528)

2. Add printing favorite

Go to nshift checkout pro app and add your printing favorite using “Add” button

The screenshot shows the nShift Checkout Pro interface. The top navigation bar includes 'Account Settings', 'General Settings', 'Printing Favorites' (selected), 'Mapping', 'Manual Sync', 'Delivery Checkout', and 'Support'. Below the navigation is a purple 'Add' button. A table displays the following data:

Printing Favorite Name	Edit	Delete
postnord-priya220510		

3. Create mapping

Choose shipping company and service type and create the mapping with printing favorite

The screenshot shows the nShift Checkout Pro interface with the 'Mapping' tab selected. The 'Mapping Shipping Services' section contains dropdown menus for 'Shipping Company' (set to '- Select -'), 'Service Type' (set to '-- Select --'), and 'Printing Favorites' (set to '-- Select --'). Below these is a purple 'Add Mapping' button. The 'Current Mappings' section contains a table with the following data:

Service ID	Service Name	Printing Favorites	Edit	Delete
PLAB	PostNord MyPack Collect	postnord-priya220510		

4. Create order

Create an order using mapped shipping service, the order will be synced to nshift account with the mapped printing favorite.
