# Tracking feature

### Automatically add the tracking link

This guide will illustrate the steps to add the tracking link automatically inside your Shopify order.

#### 1. Enable tracking

Check the above image, go to general settings and enable tracking and click save.

#### 2. Create order

Go to your Shopify store and create an order. Make sure the order is synced to Postnord dashboard and booked.

#### 3. Fulfill the order

Go to your Shopify order page and fulfill the order.
